This project is funded with grant and loan funding through the US Army Corps of Engineers and the Montana Water Pollution Control State Revolving Fund (SRF) program, State funding from the Montana Treasure State Endowment Program (TSEP), and Community Development Block Grant (CDBG). Neither the federal government, the State of Montana, nor any of their departments, agencies, or employees are or will be a party to this Invitation to Bid or any resulting contract.

Award of the contract will be contingent upon receiving award concurrence from the funding agencies and compliance with all federal and state requirements specified in the Contract Documents.

Funding for this contract is federally assisted; thus contractors at every tier must comply with the Anti-Kickback Act, Contract Work Hours Standard Act, Executive Order 11246 Equal Employment Opportunity, and wage rates including payment of federal Davis-Bacon Act wage rates or Montana State prevailing wages, whichever is higher.

No bid may be withdrawn after the scheduled time for the public opening of bids as set forth above.

The contractor will ensure that to the greatest extent feasible opportunities for training and employment arising in connection with this project will be extended to lower income project area residents and to minority, women's, and disadvantaged business enterprises; and contractor will utilize business concerns located in or substantially owned by resident of the project area in the award of contracts and purchase of services and supplies.

The right is reserved to reject any or all proposals received, to waive informalities, to postpone the award of the contract for a period not to exceed forty-five (45) days, and to accept the lowest responsive and responsible bid which is the best interest of the Owner.

The Town of Eureka is an Equal Opportunity Employer.
